CERTIFIED PUBLIC ACCOUNTANT

## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Petfinder Foundation  
Tucson, Arizona

I have audited the accompanying financial statements of Petfinder Foundation (an Arizona nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United State of America . This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

### Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Petfinder Foundation as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Supplemental disclosure:

No cash paid for interest or income taxes in 2017 or 2016.

See Accompanying Notes.

**PETFINDER FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2017 and 2016

**NOTE 1 – Organization and purpose**

Petfinder Foundation (Foundation) is an Arizona nonprofit corporation, incorporated in 2003 to support Petfinder.com. Petfinder.com is the largest database of homeless pets on the Internet, with hundreds of thousands of adoptable pets listed on the site by more than 12,000 animal welfare organizations. Petfinder.com is owned by Nestlé Purina PetCare Company (Purina). Accordingly, Petfinder.com and Purina are considered related parties.

The Foundation helps homeless pets by saving lives through adoptions, helping shelters prepare for and recover from disaster and working to make sure animal welfare organizations across the country are more sustainable. The Foundation provides grants of equipment, supplies and funds so that thousands of homeless pets have healthier, happier lives and thousands of shelter and rescue staff and volunteers can do their jobs better. Petfinder.com member shelters are animal shelters who have met the criteria set by Petfinder.com and are the beneficiaries of various grants. The Foundation administers the following programs:

**Quality of life programs** – The Foundation believes that by helping to improve the quality of life for pets while they are in shelters or with a rescue group they will be happier, healthier and more adoptable. Grants in this category include enrichment products, training, pet food, vaccines, sheltering, and general operating grants.

*Orvis Animal Care Grants:* Through a matching donation from the Orvis Company, the Foundation was able to provide general animal care grants to help support shelter and rescue group's dog adoption efforts in a positive way.

*Dog Enrichment Grants:* The Foundation is working with KONG to provide enrichment toys and products to shelters and adopters across the country. The KONG Company joins the Foundation in the belief that by providing enrichment toys to shelter pets, you stimulate their mind, making them more adoptable.

*Adoption Options in Action Grants:* This grant is available to Petfinder.com members who attended an Adoption Options conference and need financial assistance in order to implement the programs or practices presented at the conference, which are focused around the placement, promotion and behavior of homeless pets.

*Emergency Medical Grants:* This program is to assist Petfinder.com members who are caring for a pet that needs special veterinary care in order to become adoptable. Grants from this program can be used to cover expenses that fall outside of normal day to day vet services like spay/neuter, vaccines or routine exams, such as emergency surgery, dental work, etc. for one single pet.

*Play Yard Renovation Grants:* Play Yard Renovation Grants are awarded to shelters that have completed or are scheduled to complete play-group training seminars conducted by Dogs Playing for Life (DPFL). Grant funds must be used to construct or improve play yards to bring them into compliance with DPFL's recommendations. This grant program is part of the Foundation's commitment to enhancing shelter dogs' quality of life by allowing them to engage in natural social behaviors.

*Play Group Training Grants:* Play Group Training Grants are awarded to shelters to cover the cost of attending a Mentorship program conducted by DPFL. DPFL Mentorship programs help teach shelter personnel and volunteers DPFL methods for conducting safe and productive dog play groups. The program also helps attendees advance their skills as handlers and trainers, with a better understanding of canine behavior so that they can enhance quality of life for the animals as well as save more lives. Grant funds must be used to cover the tuition cost of attending a DPFL Mentorship session.

**PETFINDER FOUNDATION**  
NOTES TO FINANCIAL STATEMENTS - continued  
December 31, 2017 and 2016

**NOTE 1 – Organization and purpose – continued**

*Senior Dogs Grants:* Senior Dogs grants are intended to help facilitate the adoption of senior dogs in the care of Petfinder-member shelters and rescue groups. Grants of up to \$1,000 may be used to promote the adoption of a specific dog by funding one or more of the following: The dog's adoption fee; transportation to an approved adopter, and/or necessary medication for the duration of the dog's lifetime.

***Disaster relief program*** – The Foundation is committed to assisting animal adoption organizations with disaster relief and recovery. Funds are used to offer animal-related resources and assistance during and after significant natural or man-made disasters. The Foundation awards grants to provide emergency equipment or supplies, physical improvements to the animal shelters and property, animal transport and housing equipment allocated for use in the event of a disaster, file and records management systems, and training for staff and/or volunteers who are critical responders for the organization during an emergency.

***Other programs*** – The Foundation works with its corporate partners and funders to offer needed in-kind supplies or educational tools to Petfinder.com members, as well as grants in the forms of providing assistance for daily operations and care of pets and promoting adoption and transportation needs. Additional grants awarded are:

*Sponsor A Pet:* The Sponsor A Pet program encourages Petfinder.com visitors to help homeless pets by sponsoring the cost of their shelter and care until they find a forever home. When someone has found a homeless pet that has touched their heart but they are unable to provide that pet their forever home this program gives them a way to help. Donations are collected by the Foundation and kept for the designated shelter. Once a quarter, these donations are distributed to the shelter, less 10 percent for administrative fees.

*Youth Humane Education Grants:* This grant was made possible by Build a Bear Workshop and the Build a Bear Workshop Foundation who join the Foundation in the belief that there is nothing more important than educating and inspiring the next generation to care for and love pets at an early age. Grants from this program will help fund existing humane education programs for kids ages 6-14 to organizations with a proven track records in teaching young people about kindness and compassion toward pets.

**NOTE 2 – Summary of significant accounting policies**

*Financial statement presentation*

Under generally accepted accounting principles, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

*Use of estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and cash equivalents*

The Foundation considers all cash and highly liquid investments with an original maturity of three months or less to be cash equivalents.

**PETFINDER FOUNDATION**  
NOTES TO FINANCIAL STATEMENTS - continued  
December 31, 2017 and 2016

**NOTE 2 – Summary of significant accounting policies – continued**

*Investments in marketable securities*

The Foundation carries investments in marketable securities with readily determinable fair values at their fair values on the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities.

*Unconditional promises to give (pledges receivable)*

Pledges receivable are stated at the amount management expects to collect from outstanding balances. All receivables are due within one year. Management believes that all receivables are collectible, and, accordingly, has recorded no allowance for uncollectible amounts. These amounts contain no collateral provisions for collection.

*Property and equipment*

Purchased property and equipment are carried at cost. Donated property and equipment are carried at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, from 3 to 5 years. The Foundation capitalizes all expenditures of equipment in excess of \$500 with a useful life of more than one year.

The Foundation reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. The Foundation has determined that there were no indicators of asset impairment during the year ended December 31, 2017.

*Fair value measurements*

Fair value measurements are determined based on the assumptions—referred to as inputs—that market participants would use in pricing the asset or liability. A fair value hierarchy distinguishes between market participant assumptions and the Institute's own assumptions about market participant assumptions. Observable inputs are assumptions based on market data obtained from independent sources, while unobservable inputs are Institute's own assumptions about what market participants would assume based on the best information available in the circumstances.

*Level 1 inputs.* A quoted price in an active market for an identical asset or liability is considered to be the most reliable evidence of fair value.

*Level 2 inputs.* These are observable inputs, either directly or indirectly, other than quoted prices included within Level 1. They include quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates or yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3 inputs.* These inputs are unobservable and are used to measure fair value only when observable inputs are not available. These inputs reflect management's judgment about the assumptions that market participants would use in pricing the asset or liability.

**PETFINDER FOUNDATION**  
NOTES TO FINANCIAL STATEMENTS - continued  
December 31, 2017 and 2016

**NOTE 2 – Summary of significant accounting policies – continued**

*Contributions/restricted revenue*

Contributions are recognized when cash, securities, an unconditional pledge or other assets are received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

*Donated goods, facilities and services*

Donated goods and facilities are valued at their fair market value. Donated services are recognized in the financial statements at their fair market value if the following criteria are met:

- The services require specialized skills and the services are provided by individuals possessing those skills.
- The services would typically need to be purchased if not donated.

Although the Foundation uses the services of volunteers, the fair value of these services is not recognized in the accompanying financial statements since they do not meet the criteria for recognition under generally accepted accounting principles.

*Expense allocation*

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

*Income tax status*

The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Foundation's tax-exempt purpose may be subject to taxation as unrelated business income. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1).

Management of the Foundation considers the likelihood of changes by taxing authorities in its filed tax returns and recognizes a liability for or discloses potential significant changes if management believes it is more likely than not for a change to occur, including changes to the organization's status as a not-for-profit entity. Management believes that the Foundation met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax, therefore, no provision for income taxes has been provided in these financial statements. Accordingly, the Foundation has not filed an *Exempt Organization Business Income Tax Return* (Form 990-T) with the Internal Revenue Service (IRS) for the year ended December 31, 2017. The Foundation's Form 990, *Return of Organization Exempt from Income Taxes*, is generally subject to examination by the IRS for three years after the date the return was filed.

**PETFINDER FOUNDATION**  
NOTES TO FINANCIAL STATEMENTS - continued  
December 31, 2017 and 2016

**NOTE 2 – Summary of significant accounting policies – continued**

*Financial instruments and credit risk*

The Foundation manages deposit concentration risk by placing cash and cash equivalents with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, the Foundation has not experienced losses in any of these accounts. At December 31, 2017, the Foundation had uninsured cash totaling \$1,038,633.

Investments are made by diversified investment managers whose performance is monitored by management and the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, the Board of Directors believes that the investment policies and guidelines are prudent for the long-term welfare of the organization. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that such changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position.

Credit risk associated with pledges receivable is considered to be limited due to high historical collection rates; however there is a potential credit risk and accounting loss that could occur if all parties to the receivables fail to perform their obligations for the stated amounts.

**NOTE 3 – Investments in marketable securities/fair value measurements**

Investments at December 31, 2017 and 2016 consisted of the following:

	2017	2016
Stock	\$ -	\$ 830
Exchange-traded funds	442,508	283,535
Equity funds	26,748	71,928
Mutual funds	122,652	187,101
	<u>\$ 591,908</u>	<u>\$ 543,394</u>

Investment income is summarized as follows for the years ended December 31, 2017 and 2016:

	2017	2016
Interest and dividends	\$ 15,854	\$ 13,316
Realized and unrealized gains	43,035	35,565
	<u>\$ 58,889</u>	<u>\$ 48,881</u>

The fair value of these investments are based on quoted market prices in an active market (Level 1 inputs) on a recurring basis.

**NOTE 4 – Equity investment**

The Foundation owns 50% of Olafson Gift, LLC, a limited liability company which holds real property. The Foundation's investment in the corporation, accounted for using the equity method, was \$141,738 and \$225,178 at December 31, 2017 and 2016, respectively. Subsequent to year-end, the LLC was liquidated.

**PETFINDER FOUNDATION**  
NOTES TO FINANCIAL STATEMENTS - continued  
December 31, 2017 and 2016

**NOTE 5 – Temporarily restricted net assets**

Temporarily restricted net asset activity was as follows for the year ended December 31, 2017:

	Beginning balance	Additions	Releases	Ending balance
Customer service	\$ 12,043	\$ -	\$ -	\$ 12,043
Disaster relief	77,593	68,818	(122,698)	23,713

**NOTE 6 – Donated materials**

The Foundation received donated materials with a fair market value of \$484,027 and \$90,344 during the years ended December 31, 2017 and 2016, respectively. These donated materials are included in program supplies on the statements of functional expenses.

**NOTE 7 – Related party transactions**

The Foundation paid \$6,324 and \$7,208 in legal fees to a law firm owned by one of the board members during the years ended December 31, 2017 and 2016, respectively. The Foundation received \$50,752 and \$326,000 from Purina during the years ended December 31, 2017 and 2016, respectively. Under a two-year sponsorship agreement dated March 9, 2016, Purina has agreed to donate a minimum of \$100,000 annually to the Foundation, if certain conditions are met.

**NOTE 8 – Subsequent events**

Subsequent events have been evaluated through March 5, 2018, which is the date the financial statements were available to be issued.
